Questions about Day 9 and Day 10 Topics?

Nobody has responded yet.

Hang tight! Responses are coming in.

Start the presentation to see live content. For screen share software, share the entire screen. Get help at **pollev.com/app**

Example 1

Does the following code meet PEP8 standard?

```
import math

import numpy as np

def numpy_power_string(base=2,exp=0):
    return np.array(math.pow(int(base),int(exp)))

numpy_power_string(base=4,exp=3)
```

Example 2

Does the following code satisfy PEP8?

```
class Example_Class():
    def __init__(self):
        self.name = 'ex02'
        self.author = 'Diane'
    def return_info(self):
        return f'{self.name} by {self.author}'
```
